

CYSL – BIG SNOW

On-Snow Gate Training at the East's only Indoor Ski Area !

When: Sunday November 16, 6:00-8:00AM

Where: Big Snow at the American Dream Mall at the Meadowlands in New Jersey. A 2 hour drive (or much less) for most CYSL participants. (lodging at American Dream is available but pricey, other local options are also available-no group rate)

How much: \$100 per person but the price may drop if more than 50 people attend (last year we were able to give significant refunds to all our participants)

How to Register: Registration at AdminSkiRacing.com under the CYSL race offerings.

Who: All U10-U16 CYSL and former CYSL racers

Why: Get a chance to stretch out your ski legs before the snow flies in CT and Mass – it's also a lot of fun to go skiing when it's 60 deg outside and conditions are perfect inside Big Snow.

Details: Athletes will have unlimited race course runs for two hours. We will have 2-3 stubbie Slalom courses set to run as soon as the kids hit the snow, as well as a couple brush drills, so there will be no lines, no waiting and everyone will get more than enough runs through a course.

Testimonials - ask anyone who attended last year – it was a lot of fun and definitely worth the trip. See a video of our training from last year.
