Lift Tickets:

Lift tickets are available at Snowbowl Ski Area at a reduced price for Competitor tickets. They do not offer parent tickets, the course is walking distance from the base but I would suggest wearing shoes with good traction and bringing poles. Sunrise Bowl is steep and can get icy in places.

Parking:

Saturdays at Snowbowl is a popular day because all the mountain programs meet, the earlier you can arrive the better! You can also carpool. There is a parking lot at the base of Grant Creek by the gas station and Starbucks that is free all day and makes it easy to meet up with fellow athletes and ride up together!

Lunch:

Just like parking, Saturdays at Snowbowl can be chaotic in the lodge and bar. MFT is going to be slinging hot dogs, chips, water, etc. at the bottom of the course for donation only! Bring cash or you can venmo!

Registration:

All registration should be done online. If you have a problem, Paulette will be in the bar (The Last Run Inn) Friday afternoon to get it straightened out. Bibs are required, if your athlete forgot theirs, they can borrow with a \$20 deposit fee.

Entries:

Entry fees are \$50 for each day of competitions. All fees must be paid online at registration. In the event a competition is cancelled, check the refund policy for Northern Division in the competition guide.

Competition Committee:

Chief of Competition: Aunika Phillips (208.721.0734)

Chief of Course Moguls: Curt Tempel

Head Referee: [Name obscured]

Course Review:

A course review will be held at the finish area for the mogul events after training on Friday. The draw will be held after training and run order sent out via WhatsApp.

Awards:

Awards will be held immediately following competition each day in the finish area. Awards will be presented to the top 3 men and women for each USSA age group for both days of competition.

Rules:

- The competitions shall be governed by the USSA Rules and Regulations for Freestyle Skiing
- Rule 3055.3 In Dual moguls a competitor will be given one restart for entering the course before the start command is completed.
- USSA license is required
- Registration is online only at adminskiracing.com and will be closed Wednesday January 21st at 6 PM. If you have issues, admin ski racing will be able to assist you.
- The Dual Mogul event will be seeded from the results of a one run Mogul event held in the morning before the Dual Event.

Medical Insurance:

Every competitor must have his-her own medical insurance.

Liability:

All athletes, officials and other members of the National Association who attend and participate in the event do so at their own risk. The Organizing Committee, NDF, MFT and USSA shall not be held responsible for any risks, dangers and hazards as well as the possibility of personal injuries, death, damages to property or loss caused by or occurring during the event to athletes, officials and other related parties in conjunction with the organization or staging of the event.
