CATAMOUNT SKI AREA

WINTER SPORTS PROGRAM WAIVER AND RELEASE

READ THIS CAREFULLY:

YOU ARE VOLUNTARILY ENGAGING IN WINTER SPORTS ACTIVITIES
AND WAIVING ALL LEGAL CLAIMS

WARNING! Skiing in its various forms (including downhill skiing, ski racing, telemark skiing, alpine touring snowboarding), and snow tubing and snowshoeing involves many risks inherent winter sports including but not limited to the unevenness and unpredictability of the surface, steep, slippery, uneven conditions, and interaction with machines, equipment and other skiers.

ACKNOWLEDGMENT OF RISKS & HAZARDS: I understand that participating in the winter sports programs at Catamount (including Catamount Race Program, Snow, Sports Lessons, Ski Racing and Snow Tubing as applicable to me or my child) (the "Program Activities") is hazardous and includes the risk of injury and require the deliberate control and good judgment of the participant. The Program Activities contain inherent risks including but not limited to the risks of personal injury, death, damages and/or property damage. The Program Activities contain inherent risks including but not limited to the risks of personal injury, death, damages and/or property damage which may be caused by variations in terrain, slope design, or weather conditions, surface or sub-surface snow, ice, bare spots or areas of thin cover, moguls, ruts, bumps, roads, catwalks, other persons using the facilities, rocks, forest growth, debris, branches, trees, roots, stumps or other natural objects or man-made objects such as snowmobiles, snow machines, snow grooming equipment, signs, fence posts and off-trail snowmaking equipment as well as many other hazards, that are incidental to the provision and/or maintenance of Catamount. Participants may encounter steep terrain and become air-borne. I acknowledge that falls, injuries and collisions with other skiers/riders (including uphill traffic) are a common occurrence in the Activities. I understand there are risks of impacting objects or being impacted by objects or other persons while participating in the Program Activities and that children are regularly and frequently injured in the Program Activities. I specifically acknowledge that racing and race training is extremely dangerous and acknowledge that racing, race training, skiing/riding at high speeds, gate training, drills and all other race training is especially hazardous. Snow tubing presents the additional risk because of the lack of control of the snow tube so snow tubers are responsible for determining that the snow shoot is clear before descending. Snow tubes may be used in designates snow shoots only. If enrolled in a race program or other program that that requires it, I represent that my child has the ability to ride all uphill transportation devices (ski lifts) by themselves, with other children only, and with general public. I acknowledge these risks are both obvious and necessary to winter sports and freely and voluntarily elect to enroll, or to enroll my child in one or more of the Program Activities understanding such inherent risks include serious or fatal injury.
