### Understanding Risks

I, know that Alpine, Nordic, Freestyle and Slopestyle Skiing and Snowboarding are action sports carrying significant risk of serious personal injury, death, or property damage. I acknowledge that ski racing, performing aerial maneuvers and various tricks such as may be performed at this special event significantly enhance and increase all of these risks. Becoming inverted during an aerial maneuver, whether intentionally or accidentally, substantially increases the risk of serious injury. I also know that there are natural, mechanical, and environmental conditions and risks, whether on a racecourse, in a half pipe or terrain park, which independently or in combination with my activities may cause property damage, or severe or even fatal injuries to me or others. I agree that I alone am responsible for: (a) my safety while participating in this special even and/or training for this special event and (b) providing, utilizing and maintaining that equipment necessary for the safe enjoyment of my participation in this special event and specifically acknowledge that HART, Event Sponsors, the Hilltop ski area, the ski school, and their employees, and any agents, representatives, officers, directors, employees, members or affiliates of any person or entity associated with them are not responsible for my safety. I specifically RELEASE and DISCHARGE in advance, those parties from any liability whether known or unknown, even that liability which may arise out of negligence or carelessness on the part of persons or entities mentioned above. I agree to accept all responsibility for the risks, conditions and hazards which may occur whether they now be known or unknown.

I understand that an appropriate helmet may be required for my participation in this special event, and I understand that mandatory helmet usage is in no way intended to inspire false confidence and replace the necessity of common sense and safety. The use of a helmet does not eliminate potential injury. The parties covered by this Agreement do not assume any responsibility or duties to me by requiring the use of a helmet. It is my sole responsibility to select an appropriate helmet for accident protection. **(Provide name or initials)** \_\_\_\_\_
